NEWSLETTER SEPTEMBER 2013

Our 2013 Spring Exhibition has come and gone and was a real tribute to all those involved. General opinion seemed to be that the quality of the work was up on previous years and although I find it hard to compare one year's work with another my feeling was that the work shown was great. I really want to thank all those involved. A lot of work goes into our exhibition so thanks to the artists, your committee and all those who contributed before, during and after the show.

PRIZE WINNERS

Our judge this year was Rachel McRobb (the manager of the Oxford Gallery) whose first comment was about her appreciation of the high quality of the work. She also mentioned how hard it was to come up with winners and that all art judging is done from the personal perspective of the judge.

COMING UP

Saturday 19 October we are hosting the Town and Country Society of Artists in the Waikuku Beach Hall between 10am and 3pm. This event has previously been held at Cust and is a great opportunity for us to join with another group of like-minded artists in a nice environment. There is usually the opportunity to work outside or inside on landscapes, still life, portraiture, flower painting etc. *Everyone is very welcome!*

Charles Pickworth and Alan Hawkins, acrylic and oil artists are coming on 15 and 19 October for joint sessions working in these media.

TUESDAY CLEANUP

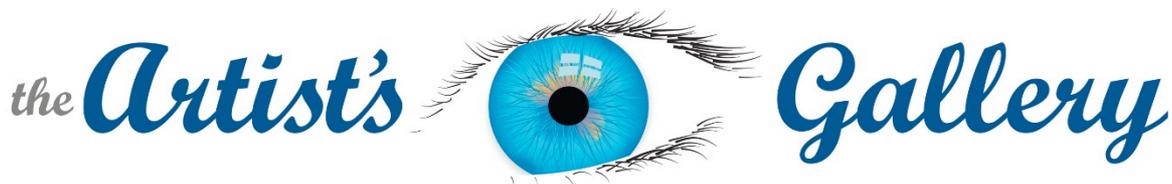

If you wish to continue painting after lunch please work on the far side of the hall in order to allow members who are leaving soon after lunch to help with the cleanup. We also ask all members to wash their own tea/coffee cups.

CALENDAR 2014

Next year's calendar has been very well received by all those who have seen it. They are available at the Gospel hall on Tuesdays and cost \$12 each. Envelopes can be purchased for an additional \$1.

The gallery is in a solid, spacious, 1928 character building with good security. With the high ceilings, generous floor space, large areas of wall space and excellent lighting, there are numerous display opportunities. There is also display cabinetry, for those smaller items that require a protected viewing space, and display stands.

I aim to cater for all media, 2 and 3 dimensional works, originals and limited editions, photography & jewellery

I am seeking expressions of interest for exhibitions or as stock artists
